Re: Indemnification for Key Employees who Sign Personal Guarantees on Behalf of SPRUCE RIVER, LLC
("Company") to Cover Costs Associated with Terminated Merchant Files

Dear JAIME HAYDEN:

In your position with our Company as Manager, you have been, and may be required to, provide your personal guarantee on merchant applications for credit card processing services with the Company's banks ("Bank" or "Banks"). The Banks require this guarantee from many applicants as a measure of protection against possible default on payment obligations.

With regard to your personal guarantee on the above-referenced credit card processing agreements, the Company shall assume responsibility for performance and payment of the Company's obligations. In the event that a bank seeks recovery from you personally for the Company's failure to fulfill the terms of those agreements, the Company will pay all amounts outstanding to the bank, reimburse you for reasonable attorney's fees and legal expenses incurred by you in defending any proceeding, and any judgments, fines and the like to be paid in settlement. Alternatively, we will advance those outstanding amounts to you as to be paid to the Bank, or in the case of expenses, to you, at your request.

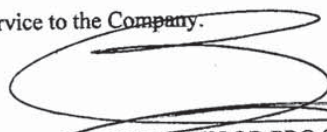

The Company will not provide the benefits outlined in this paragraph for losses that are due to your acts of fraud.

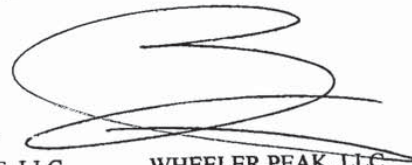

To the extent to which the Company does not fulfill our financial obligation to you, then HOLLYWOOD PRO SMILE, LLC will pay those costs. Then, to the extent to which neither Company nor HOLLYWOOD PRO SMILE, LLC fulfills our financial obligation to you, WHEELER PEAK, LLC will pay the balance. In order to receive the benefit of this indemnification, you must promptly notify the Company of the dispute as soon as you become aware of any such matters, and you agree that Company has sole control over the defense and settlement.

Thank you for your continued service to the Company.
